Welcome to LDS Business College. There are a number of things you can do ahead of time to ease your transition to college life. Some are required, but taking care of required and optional items now will make those first few weeks a little smoother.

- If you have not taken the ACT, SAT, or do not have transfer credit in English or math, you will be required to take the COMPASS placement test before you register for classes. Call (801) 524-1988 to schedule an appointment to take this test at a location near you or on campus at LDSBC. Your test results must be posted before you register for your first semester. Allow for at least two weeks to review the math study guide provided.

- Request a copy of your transfer credit if you have AP, concurrent enrollment credit, or transfer credit from another institution. Allow two weeks for the credit to be posted to your transcript.

- Pay tuition and insurance or submit an insurance waiver to the cashier by appointed date (refer to academic calendar).

- Plan to attend New Student Orientation, a day of workshops and activities that will allow you to meet other students and your academic advisors. (Refer to academic calendar)

- Familiarize yourself with College policies. You can view these on our website site by going to Resources the College Policy or call the Admissions Office at (801) 524-8145 if you do not have Internet access.

- Student educational records at LDSBC are generally accessible to eligible students according to the provisions of the Family Educational Rights and Privacy Act (FERPA). For more information, please visit our website at www.ldsbc.edu, click on Resources, College Policies and scroll to the bottom of the page to Confidentiality of Records.

- Dates for registration can be found on the academic calendar. Call (801) 524-8141 if you need assistance. If you need help with your password, please contact the Helpdesk at (801) 524-8119.

- If you need academic advising, please contact our Student Development Center at (801) 524-8151

- Plan for housing. For information about Church owned housing and a housing application for male or female students, visit http://www.ldsbc.edu/housing/Index.htm or call (801-524-8180).

- Avoid waiting in line and pre-order your textbooks. Request an order form from the Bookstore or call (801) 524-8130 after you have registered for classes. You can also purchase books in person any time during posted hours.

- After you arrive on campus, update your address and phone number in your student computer account.

- If you email us a picture (honor code compliant), we can have your ID card ready for you by the first day of school. Contact the Registration Office at 801-524-8141 for more information.

- Have fun! Yup, that’s part of college life too. Get involved by serving on a committee. Contact the Student Development Center for more information.
