Founded in 1886 and located in the heart of downtown Salt Lake City, the mission of LDS Business College is to develop capable and trusted disciples of Jesus Christ.

LDS Business College equips our students with practical power as we help them develop:
- Market-Ready Skills
- Character
- Confidence
- Competence

The campus provides students with many opportunities to connect with the local community through shopping, concerts, sports, and many other activities.

Thanks to small class sizes, students can form friendships throughout their time at the College. Local young single adult wards and family wards help facilitate lasting friendships through group activities, firesides and recreational events.

Free UTA passes allow enrolled students to commute to campus through Bus, Trax, or the Frontrunner.

LDS Business College provides a comprehensive education in an atmosphere consistent with the ideals and principles of The Church of Jesus Christ of Latter-day Saints. This atmosphere is created and preserved through commitment to Church ideals and principles by our students, staff, faculty, and administration.
